## CHAIR REPORT 2021/2022

I have pleasure in submitting my report for the 2021/22 year highlighting the continued value and importance of the Eyre Peninsula Community Foundation (the Foundation) in supporting our region.

This year we welcomed a Director from Whyalla, Brian Cope. We thanked Stephen Sykes for his time as a Director. The board met for 11 monthly meetings. Directors enjoyed visits to Whyalla, Cleve & Coffin Bay to meet grant recipients and promote the Foundation.

I detail our programs below.

We approved four community grants totalling \$4,974 during the year supporting a number of applications from across the region.

The Eyre Peninsula Home Hospice Service remains relevant with 77 families assisted since 2017. We continue to be challenged with Covid-19 however with amazing support from Directors Maggie and Peter Knife and the continued outstanding contribution of our dedicated volunteers, the Book Bazaar celebrated its 9th year of trading and achieved strong sales and a profit of \$54,049 for the financial year underpinning the funding for this valued service. The Home Hospice Service would not be possible without our continued partnership with Matthew Flinders Care Services, and we acknowledge their contribution.

In partnership with the Foundation for Rural and Regional Renewal and a generous \$1,000 community donation, the Foundation delivered a record 640 Back to School vouchers to Eyre Peninsula schools for distribution to disadvantaged families to support students return to school.

The Foundation awarded two Education Scholarships valued at \$2,000 each. It is acknowledged the original grant received from the Foundation for Rural and Regional Renewal (FRRR) and donations from the District Council of Lower Eyre Peninsula, District Council of Elliston and District Council of Ceduna are now at a level that may be unsustainable following next year. A sub-committee has been formed to research strategies to continue this important program supporting Eyre Peninsula students further educational goals.

In collaboration with the Adelaide based Wyatt Trust, the Vital Signs Report was completed and distributed to key stakeholders across Eyre Peninsula. This report aims to assist community leaders gain a better statistical understanding of their local area and broader region. Directors Rob Donaldson and Greg Barry have committed many hours working on this project and should be proud of the report.

Our Foundation was successful with two fundraising film nights at Lincoln Cinema.

Following discussions with the Lower EP community, the Eyre Peninsula Community Foundation activated its Eyre Peninsula Disaster Fund to assist with the ongoing recovery from the storm and flooding which hit Karkoo, Yeelanna and Cummins in January 2022. The Foundation received donations and distributed funds from the Eyre Peninsula Disaster Fund to two families affected by the storm and flooding.

It is pleasing to note the Foundation manages total funds of \$558,737 and thanks go to the team of Maggie and Peter Knife in effectively and efficiently managing our finances.

I acknowledge our memberships Community Foundations Australia and Volunteering SA/NT. I also mention our growing connection with all the South Australian based Community Foundations and believe this should strengthen our support over time.

We are also grateful of the ongoing support of our Patron Tony Irvine OAM and Ambassadors Marie Lally AM and Glenn Karutz. Special thanks to Peter Treloar who resigned his patronage, and continues to be a valuable supporter of the Foundation. Ongoing generous support from Cameron Foster of Horizon Advisory, Port Lincoln Community Bank, Beyond Bank, RSM and Ryan Viney, Board and staff of the Regional Development Australia Eyre Peninsula (RDAEP).

Coverage from our local media, 5CC/89.9 FM, ABC Local, 7 Spencer Gulf News, the Eyre Peninsula Advocate, Port Lincoln Times and Whyalla News has been exceptional in assisting promote the Foundation and we are extremely grateful for their support.

In closing, my special thanks and appreciation to our valued board members and Susan Hooker, our invaluable administration support, for their commitment and contribution in striving to strengthen the Eyre Peninsula region. For such a small group we punch well above our weight and should rightly be proud of our achievements.

As my final meeting on behalf of the Foundation, please accept my appreciation for the opportunity to make a meaningful contribution in building, sustaining, and supporting our region.

Garry Downey  
Chairperson, Eyre Peninsula Community Foundation

# Disaster relief for Cummins

PEOPLE in the broader Cummins district hit by storms and flooding in January can now apply for disaster funding to help with ongoing recovery work.

The Eyre Peninsula Disaster Fund is operated on a permanent basis to raise money but activated according to community need.

It was last used for the Sleaford fires in November 2012 and donations to it are tax deductible.

Eyre Peninsula Community Foundation chairperson Garry Downey encouraged

people to support the fund, as it allowed the foundation to respond to unexpected crises when they occurred.

He said discussions with the lower Eyre Peninsula community since the Karkoo, Yeelanna and Cummins storms between January 21 and 27, had led to the decision.

"Our foundation has a history of supporting Eyre Peninsula community members impacted by disaster," Garry said.

"We encourage the general public to assist local community members impacted by

these events and donate to the EP Disaster Fund."

Donations could be made in person at any Bendigo Bank branch; at the foundation office at Adelaide Place, Port Lincoln; posted to PO Box 1960, Port Lincoln or by direct deposit to BSB 633-000, Account 142 751 643.

Anyone donating by bank deposit, should include their name as a reference and then contact the foundation so that a tax receipt could be sent out. Phone 0400 685 520 or email [admin@epcf.com.au](mailto:admin@epcf.com.au).

Extensive flooding occurred in Cummins between January 21 and 27.

## **SUB-FUNDS INFORMATION**

Sub-Funds can be established by donors in either the EPCF Trust or EPCF General Fund depending on whether a tax deduction is being claimed. Sub-Funds can be Named and/or Themed Funds. Donations are invested with other trust funds, but grants made from the donations are acknowledged as being made by the Named or Themed Fund. The original donation is never spent, but keeps on giving to the community long after the money or asset was donated.

### **NAMED FUNDS**

A Named Fund is a special sub-fund that carries a name for the purpose of honouring someone or something and preserving their memory. The sub-fund can carry the name of the donor, the donor's family, a family member, a friend, a local pioneer, an outstanding citizen or an organisation. A Named Fund with the Eyre Peninsula Community Foundation is a cost-effective alternative to a Private Ancillary Fund (PAF) set up by the donor as defined under Australian Taxation law.

In a Named Fund:

Funds are referenced and acknowledged in the name specified by the donor.

The fund is named when the first donation is received.

The minimum contribution can be made over a period of years.\*

Donors may if they wish participate in some aspects of sub-fund management (*see Sub-Fund Advisory Committees information below*).

Ongoing contributions, whilst not essential, are recommended at least for a few years.

Donations to the fund are tax deductible in some circumstances.\*\*

Named Fund donors are able to be involved in presenting grants from the fund if they wish.

The Named Fund continues in perpetuity, even after the donor's passing.

Donors may also indicate a preference that a particular group or type of eligible project is to benefit from their donation by including a theme (*see Themed Funds*).

### **THEMED FUNDS**

A Themed Fund is established for the purpose of directing grants into a specific area of community need as preferred by the donor (typical examples of themes include education, home hospice and sporting facilities).

The Foundation may already have a Themed Fund set up for the donor's desired theme. In that case donations may be made to the existing fund and the minimum contribution requirements do not apply to the new donor.

Donations to Themed Funds are invested with other trust funds, but grants made from the donation are acknowledged as being made from the Themed Fund.

In a Themed Fund:

The fund has a theme title which is used when grants are made from the fund.

The minimum contribution can be made over a period of years.\*\*\*

Donors may if they wish participate in some aspects of sub-fund management (*see Sub-Fund Advisory Committees information below*).

Ongoing contributions, whilst not essential, are recommended at least for a few years.

Donations to the fund are tax deductible in some circumstances.\*\*

The Themed Fund continues in perpetuity, even after the donor's passing.

### **SUB-FUND ADVISORY COMMITTEES**

Donors who create Named or Themed Funds may establish Advisory Committees for their funds (which may comprise the donor alone or several persons appointed by the donor) to work on various aspects of sub-fund management, from establishing grant making guidelines and encouraging donations through to identifying, assessing and choosing grant opportunities. Advisory Committees may provide advice to the Trustee and make suggestions regarding the distribution of grants from sub-funds; however donors and Advisory Committees need to be mindful of the legislative restrictions that apply to charitable trusts – i.e. grant-making decisions must always remain within the discretion of the Trustee.

## SUB-FUNDS POLICY

The Board will review sub-funds with a balance of less than \$20,000 annually. If the EPCF has received no donations or communication in relation to a sub-fund for a two year period the trustee may decide to meet with the donor to ascertain their intentions with a view to the funds being rolled into the Trust or General Fund and being made available for EPCF funding priorities as the Trustee decides.

A donor can also request the closure of a sub-fund and granting of the balance. Sub-funds with balances under \$20,000 will be encouraged to distribute the balance to the Trust or General Fund.

We are happy to discuss this or any other options with you confidentially and totally obligation free.

*\* The minimum contribution to a Named Fund is \$50,000 with an initial donation of \$10,000 and the balance to be received within five years.*

*\*\* Where tax deductible gifts are received, conditions can apply limiting certain grant options. Bequests (gifts of money or property made under a will) are not tax deductible.*

*\*\*\* The minimum contribution to a Themed Fund is \$50,000 with an initial donation of \$5,000 building to \$20,000 within 3 years and the balance to be received within five years.*

## Back to School Vouchers February 2022

Eyre Peninsula Community Foundation distributed Back to School Vouchers around the Eyre Peninsula. The total value for 2022 was \$32,000. Private donations helped our Matched Funding promotions assist schools with extra vouchers across the Eyre Peninsula.

The Eyre Peninsula Community Foundation, in conjunction with the Foundation for Rural and Regional Renewal (FRRR) have assisted the Eyre Peninsula with Back to School Vouchers to date valued at over \$270,000.

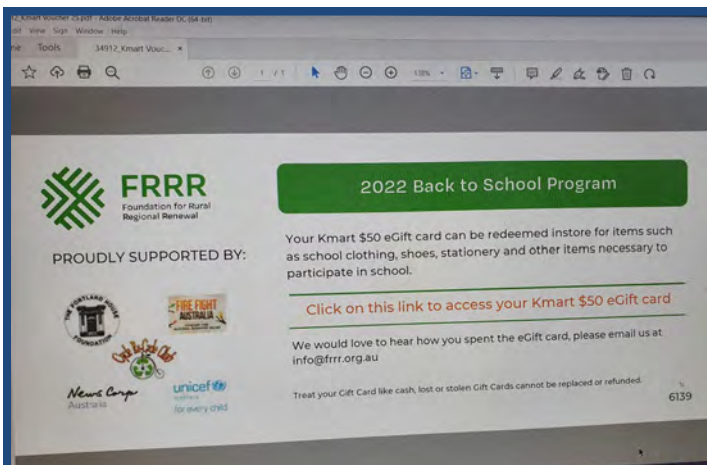

Each voucher has a value of \$50 which helps families in need to be able to purchase items for their school aged children to assist them starting the new school year.

Vouchers are commonly used by families to buy clothing, footwear, school bags, stationery items and other equipment students' use at school.

The need for this support across the Eyre Peninsula is strikingly high. In gathering data to assist the Eyre Peninsula Community Foundation to achieve distribution, we found that there is a much greater need for this assistance than the support we could provide.

Without the support of School Principals & Governing Councils this distribution would not be possible.

People wishing to gain information about the Foundation and options for making donations to assist your school community can access information from the Foundation's Website [www.epcf.com.au](http://www.epcf.com.au) or Email [admin@epcf.com](mailto:admin@epcf.com) or call 0400 685 520.

## TREASURER'S REPORT 2021/22

Total funds under management at year end amounted to \$558,737 (last year \$581,863)

Assets held at year end were:

- ◆ Cash and bank accounts \$70,679
- ◆ Bank Term deposits \$199,494
- ◆ Listed shares \$288,564

This was a difficult year for investments, and the EPCF was not immune to the significant downturn in the share market. Our shares are carefully chosen with the aim of providing moderate long term growth and a strong dividend flow, and dividends this year certainly provided valuable income. Interest rates continue to be depressed, although deposit rates are finally showing a slight upward trend.

The main income and expense items for the year were:

- ◆ Donations received \$24,392
- ◆ Investment income \$22,305
- ◆ Book Bazaar profit after expenses \$54,049
- ◆ Grants made for Home Hospice services \$51,127
- ◆ Other grants made \$11,150
- ◆ Running costs (salaries/audit fees etc.) \$43,547

The Foundation has five Named and Themed sub-funds, with final balances as follows:

- ◆ Cummins Community Future Fund \$54,127
- ◆ Port Lincoln Rotary Disaster Fund \$27,903
- ◆ EP Home Hospice Fund \$132,175
- ◆ Palliative Care Support Fund \$5,973
- ◆ Education Fund \$5,420

The Book Bazaar has continued providing strong net profit results, supporting the highly successful Home Hospice Service as well as the Foundation. We are grateful to the dedicated team of volunteers at the shop for not only raising much-needed funds, but also for providing such a popular low-cost service to a book-loving community.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Eyre Peninsula Community Foundation Inc.

### Opinion

We have audited the financial report of Eyre Peninsula Community Foundation Inc., which comprises the balance sheet as at 30 June 2022, the income statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the board.

In our opinion, the financial report of Eyre Peninsula Community Foundation Inc. has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 June 2022 and of its financial performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

### Basis for Qualified Opinion

Cash collected from book bazaar sales and fundraising in the year ended 30 June 2022 was a significant source of revenue for Eyre Peninsula Community Foundation Inc. The Eyre Peninsula Community Foundation Inc. has determined that it is impracticable to establish control over the collection of cash from book bazaar sales prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to cash collected from book bazaar sales had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether cash collected from book bazaar sales the Eyre Peninsula Community Foundation Inc. recorded are complete.

### Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial report gives a true and fair view, in all material respects, of the financial position of the Eyre Peninsula Community Foundation Inc. as of 30 June 2022 and its financial performance for the year then ended in accordance with Note 1 to the financial statements.

### Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Eyre Peninsula Community Foundation Inc. to meet the requirements of Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

### **Responsibilities of Management and Those Charged with Governance for the Financial Report**

Management is responsible for the preparation of the financial report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act)* and for such internal control as management determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing Eyre Peninsula Community Foundation Inc's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Eyre Peninsula Community Foundation Inc. or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Eyre Peninsula Community Foundation Inc's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf). This description forms part of our auditor's report.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2022**

**1. Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The association has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

**Basis of preparation**

In the officers' opinion, the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements.

These are special purpose financial statements that have been prepared for the purposes of complying with the Australian Charities and Not-for-profits Commission Act 2012, the Associations Incorporation Act (SA) 1985, and associated regulations, as appropriate for not-for-profit oriented entities. The officers have determined that the accounting policies adopted are appropriate to meet the needs of the members of incorporated association.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') and the disclosure requirements of AASB 101 'Presentation of Financial Statements', AASB 107 'Statement of Cash Flows', AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors', AASB 1048 'Interpretation of Standards' and AASB 1054 'Australian Additional Disclosures', as appropriate for not-for-profit oriented entities.

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

**(a) Cash and Cash Equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short term highly liquid investments with original maturities of three months or less.

**(b) Revenue and Other Income**

Interest revenue is recognised as it accrues in the profit or loss, using the effective interest rate method.

Grant and donation income is recognised when the entity obtains control over the funds which is at the time of receipt.

**(c) Goods and Services Tax (GST)**

The Foundation has GST concession status and is currently not registered for GST. All revenue, expenses and assets are recognised inclusive of the amount of GST and this amount is not recoverable from the Australian Taxation Office.

**(d) Property, Plant and Equipment (PPE)**

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the Foundation from the time the asset is held ready for use.

**(e) Remuneration**

There has been a change in how the salary and super expense is recognised in the reports, the expenses are recognised when the salary and super expense is incurred, previously they were recognised when paid. This has resulted in 13 months of expenses being recognised in the 2022 FY, as it includes June 2022 estimated salary and super expense.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2022**

**(f) Income Tax**

The Association is exempt from income tax under Section 50 (5) of the Income Tax Assessment Act 1997.

On the basis that the Association is endorsed for charity tax concessions, no taxation has been paid since incorporation nor is there likely to be any tax payable in respect of the 2022 financial year, and the Committee do not expect the status of the Foundation to change in this regard and accordingly no provision has been made.

**(g) Tax Concessions and Endorsements**

The Eyre Peninsula Community Foundation Inc is a registered charity with the Australian Charities and Not-for-profits Commission.

The Eyre Peninsula Community Foundation Inc acts as trustee for three independent trusts that hold tax concessions and endorsements in their own right as detailed below:

*Eyre Peninsula Community Foundation Trust Fund*

Its income exempt from income tax and it is a Charitable Fund. The trustee is endorsed as a Deductible Gift Recipient.

*Eyre Peninsula Disaster Fund*

Designed for the relief of persons in Australia who are in necessitous circumstances. The trust is also endorsed as a Deductible Gift Recipient.

*Eyre Peninsula Community Foundation General Fund*

Its income is exempt from income tax, but gifts made to this Fund are not tax deductible. Grants can be made for charitable purposes without being restricted to tax deductible recipients, as is the case with the Foundation Trust.

**(h) Indemnification**

The Foundation is entitled to be indemnified in respect of liabilities, out of the assets of the Eyre Peninsula Community Foundation Trust, Eyre Peninsula Disaster Fund and the Eyre Peninsula Community Foundation General

**(i) In Kind Donations**

*Donations of fixed assets*

All assets donated to the Association are initially recorded at fair value at the date of the acquisition, being the estimated net realisable value of the assets at the date the assets are donated to the Association.

This value is recognised as a donation in the Income Statement.

*Donations of goods and services*

Donations of goods and services occur from time to time. These are recorded as donations with an equal amount being recorded as an expense in the Income Statement.

**(j) Leases**

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership that are transferred to entities are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values.

Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

**(k) New Accounting Standards and Interpretations not yet mandatory or early adopted**

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the incorporated association for the annual reporting period ended 30 June 2022. The incorporated association has not yet assessed the impact of these new or amended Accounting Standards and Interpretations.

**12. Events after the reporting period**

The impact of the Coronavirus (COVID-19) pandemic is ongoing and it is not practicable to estimate the potential impact, positive or negative, after the reporting date. The situation is continuously developing and is dependent on measures imposed by the Australian Government and other countries, such as maintaining social distancing requirements, quarantine, travel restrictions and any economic stimulus that may be provided.

No other matter or circumstance has arisen since 30 June 2022 that has significantly affected, or may significantly affect the company's operations, the results of those operations, or the company's state of affairs in future financial years.
